

Warm-up Project Guidelines & Marking Scheme

Title: A Simple database for the health facilities

Important: For this project, you must use the DBMS managed by the AITS to which you have been provided access in this course.

Distribution of Marks:

Tasks	Points
Originality Form & Cover Page	2
Conceptual DB Design (E/R)	16
E/R to Relations Conversion	10
DDL Statements	10
DML Statements (Transactions)	10
DML Statements (Queries)	30
Count * Statements	7
Organization & Report	15
Total	100

Your project report should include the following:

- Your team ID (assigned by Stan), Student ID and official name of every team member should clearly appear on the cover page of the report.
- A signed originality form.
- The screenshot of query results and Count* statements.
